“DR-2XE Installation Support Program” Procedures & Terms and Conditions

Procedures:

For customers who purchase a new DR-2XE:

1. Complete the Application Form after the installation/ purchase of a new DR-2XE.
2. Submit the Application Form to the YAESU authorized distributors or dealers from whom you purchase the new DR-2XE.
3. YAESU authorized distributors handle the “DR-2XE Installation Support Program.” Please ask YAESU authorized distributors or local dealers, for any detailed benefits of the program.

For customers who purchase a new DR-2XE and trade-in the existing DR-1XE:

1. Complete the Application Form after the installation/ purchase of a new DR-2XE.
2. Submit the Application Form to the YAESU authorized distributors or dealers from whom you purchase the new DR-2XE.
3. YAESU authorized distributors handle the “DR-2XE Installation Support Program.” Please ask YAESU authorized distributors or local dealers, for any detailed benefits of the program for your purchase of the new DR-2XE.
4. If “trade-in” is selected, make sure with dealers from whom you purchase a new DR-2XE to which of YAESU authorized distributors you should contact and ship your existing DR-1XE for “trade-in.”
5. Within 30 days after installation of a new DR-2XE, ship your DR-1XE to the YAESU authorized distributor by insured carrier. It is highly recommended that you contact the YAESU authorized distributor before you ship the existing DR-1XE. Shipping cost must be incurred by customers.
6. YAESU authorized distributor shall confirm the appearance and operation of your DR-1XE. When they confirm that your DR-1XE is in reasonable condition for “trade-in,” your DR-1XE shall be transferred to Yaesu UK Ltd. When not, YAESU authorized distributor may return your DR-1XE to you.
7. Yaesu UK Ltd. shall reconfirm the condition of your DR-1XE. After the confirmation, Yaesu UK Ltd. arranges the payment of EUR300/ GBP270 to your bank account. Payment shall be processed 6 to 8 weeks after receiving your DR-1XE by Yaesu UK Ltd.

Terms and Conditions:

1. “DR-2XE Installation Support Program” is valid from October 2, 2017 to December 31, 2017.
2. “DR-2XE Installation Support Program” is valid for customers who purchase a brand new DR-2XE (CE model) from the YAESU authorized distributors or dealers in Europe and UK ONLY.
3. If “trade-in” is selected, amount of cashback for returned DR-1XE is EUR300/ GBP270.
4. If “trade-in” is selected, customers must return an existing DR-1XE to the YAESU authorized distributors within 30 days after the purchase of a new DR-2XE.
5. Shipping Cost must be incurred by customers.
6. If “trade-in” is selected, payment method of cashback is electronic transfer to customers’ bank account. Payment shall be processed 6 to 8 weeks after receiving customers’ DR-1XE by Yaesu UK Ltd.
7. Yaesu UK Ltd. shall not be liable for any VAT, Bank or Building Society processing or administration fee associated with this program.
8. “Trade-in” offer (cashback) may be void where taxed, restricted or prohibited by local country regulations.
9. YAESU authorized distributors and YAESU UK Ltd. shall decline to accept the return of customers’ DR-1XE when the DR-1XE has been modified, altered, tampered, or abused; is damaged by inadequate packing or shipping procedures; or incorrect information is provided in the Application Form
